1% POST ELECTION MANUAL TALLY

Elections Code Section 15360 reads, "The official conducting the election shall include a report on the results of the 1 percent manual tally in the certification of the official canvass of the vote. This report shall identify any discrepancies between the machine count and the manual tally and a description of how each of these discrepancies was resolved. In resolving any discrepancy involving a vote recorded by means of a punchcard voting system or by electronic or electromechanical vote tabulating devices, the voter verified paper audit trail shall govern if there is a discrepancy between it and the electronic record."

- The 1% Precincts were randomly selected using a computerized random number generator on June 4, 2008 at 9 a.m.
- The 1% Post Election Manual Tally was conducted on:
